

**EDUC 656: Inquiry Methods in Math and Science
2008-2009
Course Calendar**

Reminder: Teacher Participants must also choose THREE Saturday math/science content workshops during the 2008-2009 academic year as part of the course content. Don't forget to add these dates to this course calendar. Saturday math/science content workshops are offered approximately once per month from Sept to May. Registration for these Saturday workshops is the responsibility of the teacher participant and should be completed at the earliest possible time to ensure seating availability.
