

November 28, 2006

Dear Teachers,

If you are interested in finding out what's going on with our program at the moment, please take time to check it out our webpage at [www.sxi.sbc.edu](http://www.sxi.sbc.edu) .

If you are interested in finding out more about what our program is all about, please email our project director Jill Granger at [granger@sbc.edu](mailto:granger@sbc.edu) or your instructional support specialist Laurna Kaatz at [kaatz01@sbc.edu](mailto:kaatz01@sbc.edu). Please share information about our program with colleagues who may like to participate or who might not know about our workshops. The workshops are free and open to any teachers in central Virginia.

---

## Did You Know?

The New River that flow through the southwest region of Virginia is the *second oldest river* in the world.

---

## Here are some websites you may find interesting . . .

<http://spaceplace.nasa.gov/en/kids/goes/wwa/index.shtml#>

This webpage has a number of fun games for your students to play while learning at the same time. There are games for students of all ages with word and puzzle pictures for younger students to vector problems for older students. Check it out to see what will work for your students!

[http://www.educationworld.com/a\\_lesson/lesson/lesson290.shtml](http://www.educationworld.com/a_lesson/lesson/lesson290.shtml)

Since some holidays are here, why not tie them into your lessons? This website gives a variety of different activities you can do from making recipes from different cultures for fun holiday treats to counting Christmas trees from graphs of holiday data.

---

We're here to help you! Let us know what you're up to. Call or email if you need any assistance – ideas, resources, supplies, etc.
